

HIGHER EDUCATION PROGRAM ISAE-ENSMA

ISAE-ENSMA Engineering Program

LEVEL	ADMISSION IN	SELECTION	REGISTRATION AT	FURTHER INFORMATION
Baccalaureate + 2 Prep school MP, PC, PSI, PT, TSI	1st year engineering program	Competitive exam	http://www.concours-commun-inp.fr	https://www.ensma.fr/formations/ingenieur/
Baccalaureate + 2 - ATS	1st year engineering program	Competitive exam	http://concours.ensea.fr	https://www.ensma.fr/formations/ingenieur/
Baccalaureate + 2 French Reinforced Licence 2, DUT	1st year engineering program	Application dossier	https://www.ensma.fr/admissions	https://www.ensma.fr/formations/ingenieur/
Baccalaureate + 3 French Licence 3	1st year engineering program	Application dossier	https://www.ensma.fr/admissions	https://www.ensma.fr/formations/ingenieur/
Baccalaureate + 4 Master 1, French and foreign double degrees	2nd year engineering program	Application dossier	https://www.ensma.fr/admissions	https://www.ensma.fr/formations/ingenieur/

Masters of Science

ISAE-ENSMA offers two Masters of Science (MSc) degrees

- Master of Science in Aeronautical Mechanics and Energetics (AME)
- Master of Science in Turbulence

LEVEL	ADMISSION IN	SELECTION	REGISTRATION AT	FURTHER INFORMATION
Baccalaureate + 3 French Licence 3	Master 1	Application dossier	https://www.ensma.fr/admissions	https://www.ensma.fr/formations/master/
Baccalaureate + 4 Master 1	Master 2	Application dossier	https://www.ensma.fr/admissions	https://www.ensma.fr/formations/master/

Other Masters programs in co-accreditation with Université de Poitiers

- Master in “Aeronautics and Space” – “Aeronautical and Terrestrial Transport” option – “Aviation and energy Mechanics” option – “Turbulence” option
- Master in “Material Sciences”, “High-performance Materials Engineering and Sustainable Development” option
- Master in “Computer Science”, “Embedded IT Systems” option

LEVEL	ADMISSION IN	SELECTION	REGISTRATION AT	FURTHER INFORMATION
L3	Master 1	Application dossier	https://www.ensma.fr/admissions/autres-cursus/	https://www.ensma.fr/formations/master/
M1/M2	Master 2	Application dossier	https://www.ensma.fr/admissions/autres-cursus/	https://www.ensma.fr/formations/master/

Doctorates

ISAE-ENSMA is accredited to issue doctoral degrees for students at 2 doctoral schools:

- Doctoral School in Sciences and Materials Engineering, Mechanics and Energetics (ED SIMME)
- Doctoral School in Sciences and Systems Engineering, Mathematics and IT (ED SISMI)

LEVEL	ADMISSION IN	SELECTION	REGISTRATION AT	FURTHER INFORMATION
Baccalaureate + 5 Master 2, Engineering degree	Doctorate	Application dossier	https://www.ensma.fr/admissions	https://www.ensma.fr/formations/doctorat/
